# UNIVERSITY PRESIDENT DR. STUART R. BELL

Dr. Stuart R. Bell began his term as the 29th president of The University of Alabama on June 15, 2015, bringing a wealth of experience from his 16-year tenure as a faculty member and department head of mechanical engineering at the Capstone.

Under his leadership, UA has witnessed notable achievements, including increased student retention and graduation rates, expanded faculty presence and a surge in sponsored program awards vital to enhancing student learning experiences. During his presidency, historic fundraising efforts have propelled the establishment of interdisciplinary research centers and numerous programs dedicated to real-world challenges. Dr. Bell has championed progressive initiatives aimed at equipping UA graduates to thrive in a global society.

In September 2021, Dr. Bell unveiled The Rising Tide, the most ambitious capital campaign in state history. This transformative fundraising endeavor is ushering in heightened enrollment, groundbreaking research and expanded opportunities for students to engage in premier educational experiences at The University of Alabama. In February 2024, The University of Alabama achieved its initial target of \$1.5 billion and embarked on The Rising Tide 2.0, increasing the campaign's goal by 20% to \$1.8 billion.

Before assuming the presidency at UA, Dr. Bell served as the executive vice president and provost at Louisiana State University, where he held dual roles as the chief academic and operating officer. Prior to his tenure at LSU, he served as the dean of the School of Engineering at the University of Kansas.

Dr. Bell's research expertise lies in combustion engines, with a focus on fuels, innovative designs and engine modeling. He founded and led UA's Center for Advanced Vehicle Technologies, nurturing a new generation of engineers and scientists.

Throughout his career, Dr. Bell has received numerous accolades, including the Society of Automotive Engineers' Ralph Teetor Award for Outstanding Contributions to Research and Teaching, the Dwight Look College of Engineering Outstanding Alumni Award, the American Society of Mechanical Engineers Richard S. Woodbury Award, the T. Morris Hackney Faculty Leadership Award, and election to the Academy of Distinguished Alumni in Mechanical Engineering at his alma mater.

In 2023, he was inducted into the Alabama Engineering Hall of Fame. That same year, he began a two-year term as president of the SEC Executive Committee.

Born in Abilene, Texas, Dr. Bell met his wife, Susan, at Texas A&M. Together, they are proud parents of three adult children and devoted grandparents to three granddaughters and two grandsons. Both sons followed in their father's engineering footsteps and their daughter is a UA alumna.

# DIRECTOR OF ATHLETICS GREG BYRNE

With over 30 years of experience in sports administration, Alabama Director of Athletics Greg Byrne has built an impressive career highlighted by consistent competitive success, innovative strategies, vigorous fundraising and a strong emphasis on academic excellence and student-athlete enhancement.

Under Byrne's leadership, the Crimson Tide posted its four best finishes in the LEARFIELD Directors' Cup, including a program-high mark of seventh place following the 2020-21 season. Off the field, Alabama student-athletes have earned 75 CoSIDA Academic All-America certificates as well as some of the nation's top academic honors, including the NCAA Top 10 Award, the NCAA Elite 90 Award, CoSIDA Academic All-America of the Year, NCAA and SEC Postgraduate Scholarships since his arrival.

Byrne made an immediate impact on the Crimson Tide, developing and implementing both The Standard, a strategic plan outlining the mission statement and core values of Alabama Athletics, and The Crimson Standard, a 10-year, \$600 million capital initiative focused on the renovation of facilities and development of infrastructure. That impact continued in 2022-23 with two major partner extension announcements with Fanatics and LEARFIELD and then in 2024 with CLC.

In addition to his role as Director of Athletics, Byrne serves on several committees at both the conference and national levels including the United States Olympic & Paralympic Committee Collegiate Advisory Council, the NCAA Division I Men's Basketball Committee and the National Coalition of Minority Football Coaches Coalition Academy. He was also president of the National Association of Collegiate Directors of Athletics in 2020.

Byrne's tenure at Alabama marks his third leading an NCAA Division I program after stints as the University of Arizona's Vice President for Athletics from 2010-17 and Mississippi State University's Director of Athletics from 2008-10.

A native of Pocatello, Idaho, Byrne earned his bachelor's degree from Arizona State University in 1994 and his master's degree from Mississippi State University in 2009. He is married to the former Regina Misa of Junction City, Ore., and the couple has two sons, Nicholas and Davis.

**KALEN DEBOER**  
ALABAMA HEAD COACH

Kalen DeBoer has produced unprecedented results at every stop of his coaching career. His hard work and dedication to his craft has shaped one of the most impressive resumes in college football after just nine years as a head coach.

DeBoer's coaching philosophy stresses the importance of class, integrity and academic success. He has a passion for bringing people together while building the total program. DeBoer believes in creating an environment that allows his players to thrive. He holds a deep commitment to developing the young men in his program and investing in them both on and off the field as they prepare for their next steps in life.

DeBoer and his staff believe in developing players athletically, academically, socially and spiritually so that they leave the program as better men. Beyond winning football games, it is about building a culture within the program that is contagious and producing a team that loves each other and are willing to play for each other.

There are three non-negotiables in DeBoer's program that have stood the test of time and resulted in stunning success: family, accountability and toughness.

During his 26 years in coaching, he has consistently prospered at multiple levels and in different roles, helping to build and revitalize programs while establishing a diverse network of contacts across the country, in both coaching and recruiting. In nine seasons as a head coach, DeBoer has accumulated a 104-12 record, which includes a 25-3 mark in his previous stop with the Washington Huskies and three NAIA National Championships at Sioux Falls.

In 2023, he led Washington to the College Football Playoff National Championship Game with a victory over Texas in the Sugar Bowl. DeBoer's '23 group won the Pac-12 Championship and recorded the most wins in a season in program history (14). Additionally, he won the 2023 AP, AFCA, Eddie Robinson, George Munger, Walter Camp, Sporting News and Home Depot Coach of the Year awards. Along with winning the Pac-12 and the Sugar Bowl, UW recorded two top-10 wins over Oregon along with victories against No. 12 Oregon State, No. 13 Utah and No. 24 USC.

DeBoer became the first Washington coach to win 11-or-more games in consecutive seasons after going 11-2 in 2022 and 14-1 in 2023 and the first to win a bowl game in his first season with the Huskies. That success resulted in back-to-back Pac-12 Coach of the Year honors.

In his first year at UW, he led the Huskies to an 11-2 overall record after Washington finished 4-8 the previous year. They posted a 3-0 mark against ranked teams and a win over Texas in the Valero Alamo Bowl. His Huskies

His Huskies swept its three Northwest rivals and finished in a tie for second in the Pac-12, while he was named Pac-12 Co-Coach of the Year.

Prior to his time at UW, DeBoer spent two seasons at Fresno State, which included the pandemic-shortened 2020 season. Under his guidance, the Bulldogs made great strides on both sides of the ball, posting a combined 12-6 record. Fresno was 4-8 in 2019 prior to DeBoer's arrival.

In 2021, Fresno State went 10-3 and defeated UTEP 31-24 in the New Mexico Bowl. The offense finished first in the MWC and 14th in the nation in total offense (464.8 yards per game) and second in the conference and 26th in the FBS in scoring (30.5 points per game). The Bulldogs' passing offense ranked second in conference and ninth in the country with 326.7 yards per game.

Immediately prior to his time at Fresno, DeBoer was on staff at Indiana University as offensive coordinator and quarterbacks coach. He helped guide the Hoosiers to an 8-5 record and a berth in the Gator Bowl. IU's eight victories in 2019 matched their highest wins total in 26 seasons.

DeBoer joined then-head coach Jeff Tedford as the Fresno State offensive coordinator and quarterbacks

Bryant-Denny Stadium is one of the most iconic facilities on The University of Alabama campus, as well as one of the most visited destinations in the state. The current seating capacity of 100,077 makes Bryant-Denny Stadium one of the nation's largest on-campus football stadiums. Bryant-Denny Stadium is one of the most iconic venues on The University of Alabama campus, as well as the most visited destination in the state. The current seating capacity of 100,077 puts it among the nation's largest on-campus football stadiums.

On September 7, 2024, a formal naming ceremony will take place as legendary coach Nick Saban is honored with the naming of Saban Field at Bryant-Denny Stadium. The Honorary Degrees and Recognition Committee of the University of Alabama System Board of Trustees unanimously passed a resolution on July 19 approving the naming honor.

Before the 2020 season, the venue went through a \$107 million renovation that included updating and expanding multiple seating areas with three new club areas and the addition of 3,826 new premium seats, loge boxes, the Terrace Club, the Champions Club and Founders Suites on the west side, new skyboxes on the east U1 level, as well as the renovation of existing skyboxes. Improvements were made to all team areas including the locker room and tunnel, and the recruiting room was expanded to nearly double in size. A student plaza was added on the south side as well as larger videoboards in the four corners, and the press box was relocated to the east side.

The latest renovation marked the fifth since 1988 and the eighth time overall Bryant-Denny Stadium has had significant upgrades since it was originally constructed in 1929. Other renovations and expansions were completed in 1946, 1961, 1966, 1988, 1998, 2006 and 2010.

Since those early games, a number of projects have taken place to get Bryant-Denny Stadium to its current state. When Alabama and Hawai'i met to open the 2006 season, a sellout crowd marked the largest crowd to view a college football game in the state of Alabama. That record fell when 101,821 fans filled the seats for the Crimson Tide's 2010 season opener against San Jose State.

The 2010 renovation pushed capacity to 101,821, with an additional 36 skyboxes, to bring the total to 159, and 1,700 club seats. Other additions included a club level area and traditional upper-deck seating. Office space was included, as well as a home team locker room located in the north end zone.

In 2006, three levels of premium seating and 38 luxury skyboxes were added in addition to a pair of large video scoreboards in the north end zone, and state-of-the-art, wrap-around display boards situated on the facades of the east and west upper decks.

One of the unique aspects of Bryant-Denny Stadium is a plaza connecting the stadium with University Boulevard. The plaza, which quickly became a focal point on game day Saturdays, honors Alabama's national championship coaches and commemorates the Tide's 18 national and 29 SEC titles.

Another unique aspect of Bryant-Denny Stadium, while not part of a renovation or expansion, was the installation of a state-of-the-art LED light system in 2019. The lights feature instant on/off capabilities, are fully dimmable and are connected to a system that allows them to function in different colors, scenes and effects.

The 1998 east side expansion added 10,000 bleacher seats and two spiral walkways to give the stadium a more symmetrical appearance. A total of 81 skyboxes, on two levels, were also added. The skyboxes were built in two sizes, 24-seat capacity (18) and 16-seat capacity (64).

In 1999, four additional skyboxes were added and a scoreboard with video replay capabilities was installed in the south end.

Other additions to Bryant-Denny Stadium include two east side reception areas for Scholarship and A-Club level patrons. These areas are located above the center entrance on the east side and include rooms large enough to host receptions and pre-game meal functions. A bank of lights was also added on the east side.

The Crimson Tide owns an impressive 297-55-3 (.841) all-time record at Bryant-Denny Stadium and a 383-68-3 (.847) mark in all games played in Tuscaloosa. Dating back to the 1988 renovation of Bryant-Denny Stadium, more than 20 million fans have witnessed the Crimson Tide play in 246 home games over the past 36 seasons.

#7 Pick / First Round

# ALABAMA IN THE NFL DRAFT

47 FIRST-ROUNDERS SINCE 2009

Names such as Shaun Alexander, Cornelius Bennett, Joe Namath, Chris Samuels, Kenny Stabler and Derrick Thomas have starred on the NFL gridiron after their career at the Capstone. The most recent history of the draft has been dominated by Alabama, as the Crimson Tide has produced 47 first round draft picks and 133 total picks over the last 16 years. That total is the most by any program in college football during that span. This past season, Alabama had three players selected in the first round for a second consecutive season. First off the board was JC Latham, who went to the Tennessee Titans with the seventh overall pick. He was followed by Dallas Turner, who was taken 10 selections later by the Minnesota Vikings. Terrion Arnold rounded out the trio of first-rounders, going to the Detroit Lions with the 24th overall pick. Alabama has had at least one player selected in the first round of 16 straight drafts (2009 – present), which breaks Miami’s (1995-08) NCAA record for the most consecutive years with a first round draft pick. The remainder of the 2024 NFL Draft saw seven more Alabama players selected, including second-rounders Kool-Aid McKinstry (No. 41, New Orleans Saints) and Chris Braswell (No. 57, Tampa Bay Buccaneers). The pair was followed by Jermaine Burton (No. 80, Cincinnati Bengals) in the third round, Justin Eboigbe (No. 105, Los Angeles Chargers) in the fourth and sixth-rounders Jase McClellan (No. 186, Atlanta Falcons) and Will Reichard (No. 203, Vikings). The final selection for the Crimson Tide and in the ‘24 Draft was Jaylen Key, who was taken with pick No. 257 by the New York Jets.

## THE MILLION DOLLAR BAND

The University of Alabama Million Dollar Band is celebrating 112 years of being an exciting part of the Crimson Tide spirit and tradition. From very humble beginnings in 1912 as a military band, the band has experienced tremendous growth and evolution in the past century.

The band established a reputation as one of the premier university bands during the tenure of “Colonel” Carlton K. Butler, who served as the director of bands at The University of Alabama from 1935 until his retirement in 1968. The proud history of the band also includes Kathryn Scott who was the first female director of a Division 1 college marching band.

The tradition of excellence is still “Bama Strong” in the members of the 112th edition of the Million Dollar Band that you see today.

## ALMA MATER

Alabama, listen, Mother,  
To our vows of love,  
To thyself and to each other,  
Faithful friends we'll prove.  
Faithful, loyal, firm and true,  
Heart bound to heart will beat.  
Year by year, the ages through  
Until in Heaven we meet.  
College days are swiftly fleeting,  
Soon we'll leave their halls  
Ne'er to join another meeting  
'Neath their hallowed walls.  
Faithful, loyal, firm and true  
Heart bound to heart will beat  
Year by year, the ages through  
Until in Heaven we meet.  
So, farewell, dear Alma Mater  
May thy name, we pray,  
Be rev'renced ever, pure,  
and stainless  
As it is today.  
Faithful, loyal, firm and true  
Heart bound to heart will beat  
Year by year, the ages through  
Until in Heaven we meet.

## SPIRIT SQUADS

Football Saturdays wouldn't be complete without the help of our spirit squads. Our Cheerleading program consists of two teams, an All-Girl and Coed team. Both teams cheer at home and away football games, volleyball, gymnastics and women's and men's basketball. The Coed team has three National Titles (1984, 2011, 2015) and the All-Girl team has three, as well (2015, 2020, 2022). The Alabama Dance Team is also an important part of the Spirit Program and is on the sideline at home football games in addition to women's and men's basketball. And, we can't forget about everyone's favorite mascot – Big AL! Big AL brings joy to all Bama fans and can be found all over campus.

## YEA, ALABAMA

Yea, Alabama! Drown 'em Tide!  
Every 'Bama man's behind you,  
Hit your stride.  
Go teach the Bulldogs to behave,  
Send the Yellow Jackets to a watery grave.  
And if a man starts to weaken,  
That's a shame!  
For Bama's pluck and grit have  
Writ her name in Crimson flame.

Crimson Tide, Roll Tide, Roll Tide!

# GAMEDAY

Tailgating is an integral part of every football season, and in Tuscaloosa it's especially important. By following these guidelines, you will help to ensure that everyone has an enjoyable experience. With your help, we will be able to preserve the natural beauty of Alabama's campus for generations to come.

Remember, Friday is a regular academic day at The University of Alabama, and classes are still in session until 6 p.m. Please refrain from taping off or setting up tailgate sites in areas of The Quad until Friday. Stakes may damage the irrigations systems, and tape and rope may damage the trees, bushes and plant material. These items will be removed by gameday officials before Friday.

**SECURITY SCREENING  
PROCESS**

All guests will be subject to security screening prior to entry along with inspection of all approved clear bags and carry-in items. Security staff will utilize walk-through magnetometers, handheld metal detectors and/or a physical pat-down to screen all guests at security checkpoints. Patrons are asked to form single file lines and continue walking through detectors. If further screening is necessary, security staff will alert the patron. If a guest does not feel comfortable with the metal detector screening due to medical reasons, a physical pat-down will be conducted instead. Please have all bags open for security staff and be prepared to remove any item from inside the bag if requested for closer inspection. Guests electing not to consent to the metal detector screening or physical pat-down along with a bag search will be denied entry.

**PUBLIC PARKING**

Public parking is available both on-campus and off. The east side of campus features a large amount of public parking in close proximity to gameday shuttles. Fans are strongly encouraged to pre-purchase parking via [www.uagameday.com](http://www.uagameday.com). **TOBACCO FREE CAMPUS**

The University of Alabama is a non-smoking, non-vaping and tobacco free campus. The use of any tobacco based products, e-cigarettes and vaporizers, inside of the stadium or within the immediate gates, is strictly prohibited.

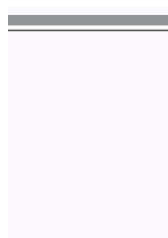

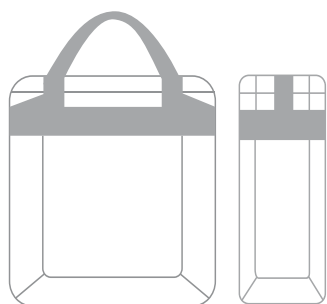

**GETTING AROUND CAMPUS**

Three hours prior to kickoff, the entire core of campus is closed to all vehicles allowing for increased pedestrian traffic. The streets remain closed until after post-game traffic clears. The Crimson Ride transit system has buses running routes starting at 7 a.m. and is free for all fans on gameday. For more information, please visit [www.uagameday.com](http://www.uagameday.com).

### **ENFORCEMENT OF RULES**

Individuals found violating any policy can be removed from the stadium. Non-students, while not affected by the Student Conduct Code, are subject to arrest under applicable laws and state statutes. Violation of University of Alabama policies can result in eviction from the stadium and forfeiture of tickets to future events.

### **GOLF CART ORDINANCE**

The City of Tuscaloosa will ticket patrons who drive golf carts on city streets during Alabama football game weekends. This is a city ordinance passed in 2006 by the City of Tuscaloosa and it will be strictly enforced by law officials.

### **GENERATORS ON THE QUAD**

No portable generators will be allowed on the Quad. Those found in violation will be asked to leave the Quad.

### **OPEN FLAME POLICY**

- Cooking is limited to grills only.
- Grills should be set up away from, or protected from, pedestrian traffic and flammable materials.
- Grills must be monitored at all times.
- Extinguish all flames before leaving your area.
- Do not dump charcoal on the Quad. Red Charcoal Dump Stations are on the west side of the Quad.
- Do not dump cooking oil on the Quad.

### **QUAD ELECTRICITY**

There is an enhanced power supply provided on the East side of the Quad to support electricity needs of fans. We also added additional power on the Northwest side of the Quad. As such,

it should relieve some of the strain put on the electrical power supplied through the light poles on the northern half of the Quad near Gorgas Library. However, the rules still remain for proper usage of the power on the light poles.

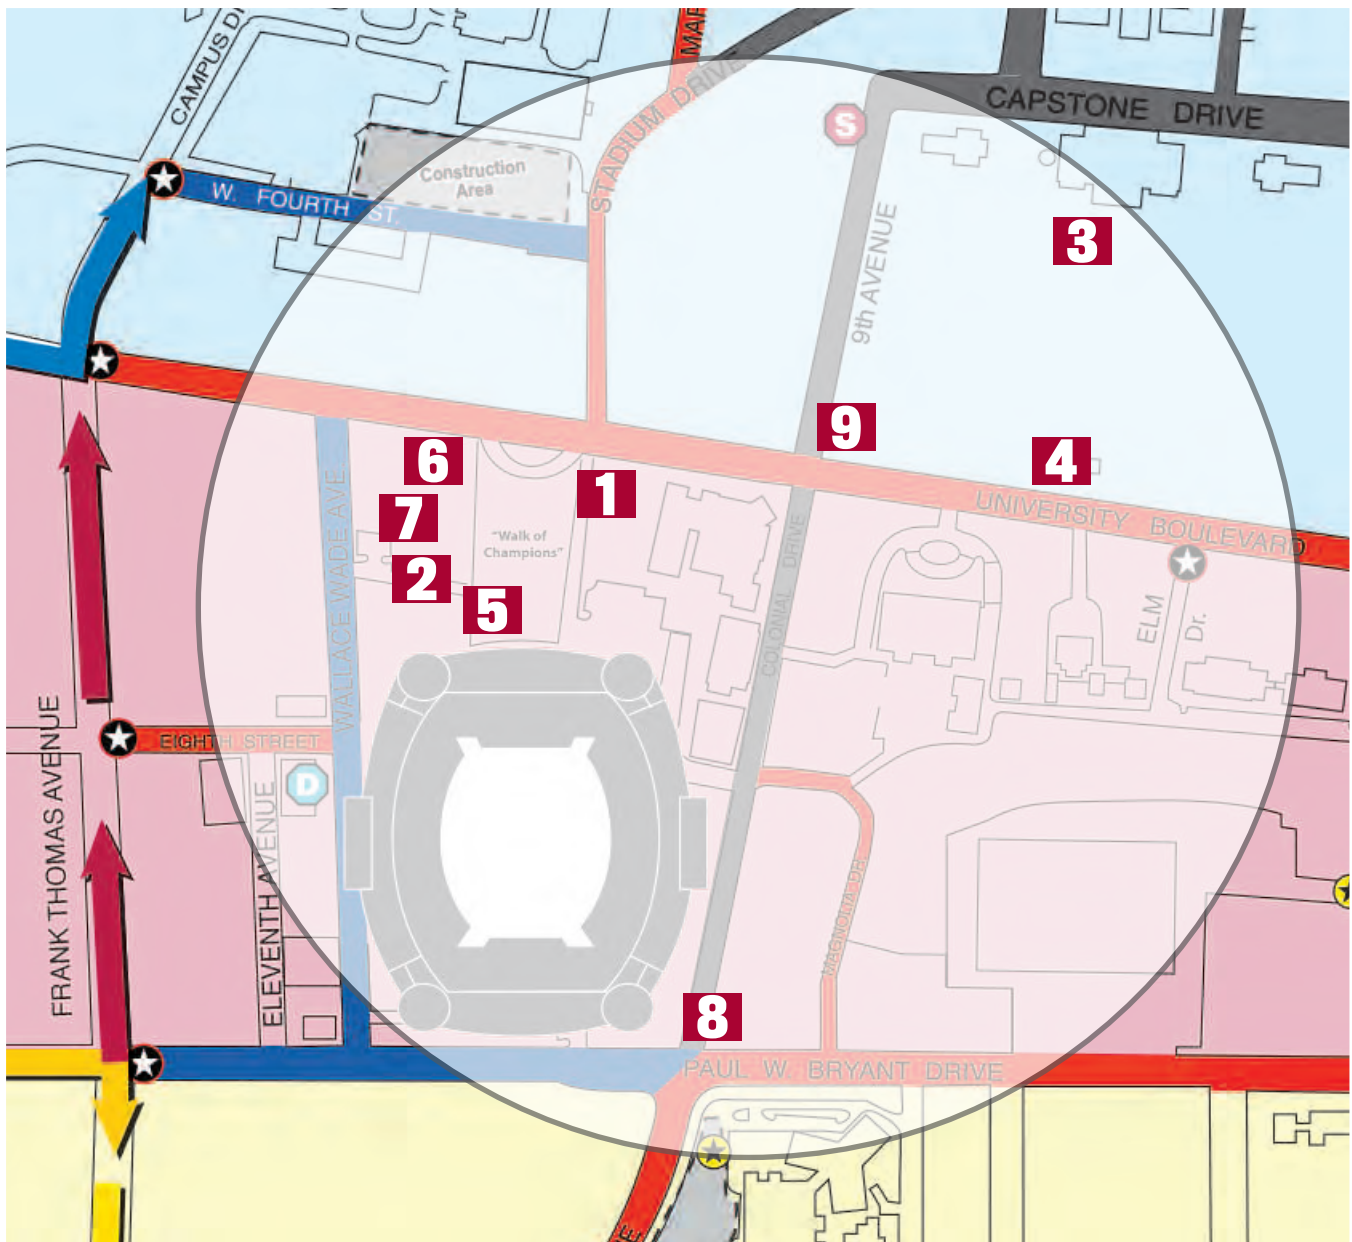

### **QUAD POWER INFO**

- No extension cords may be plugged into any electrical outlets on any of the on-campus buildings.
- You may hook up a power strip to prevent damage from possible surges, but only one item may be plugged into it.
- The use of multiple power strips or multiple plugs on a single outlet is prohibited.
- Only two hook-ups per outlet is allowed.
- Secure electrical cords crossing sidewalks to avoid a tripping hazard.
- Please remove all tape used to secure the electrical cords to the sidewalk when you leave the Quad.
- All auxiliary power will be cut off 1.5 hours after the conclusion of night games. For 11 a.m. kickoffs, power will be cut off three hours after the game.

Grills or fire pits are not allowed within 50 feet of campus buildings or under tents. Extinguish fires thoroughly with water before leaving them unattended. Place extinguished charcoal in designated containers or remove it from campus for disposal. Do not dump charcoal on the ground or in dumpsters. Grilling/fire pits are not allowed in the parking decks.

Tailgate locations with grills or fire pits must have a 2.5-pound all-purpose fire extinguisher within 15 feet of the fire. At least one person in attendance must be trained in the use of the fire extinguisher.
